# Sheila

Sheila is my mother and her favorite color is black. She made up some stories called Chyla stories. These are about a girl who is really naughty and her name is Chyla.

Chyla has a special power and that power is to get invisible.

Sheila has two brothers.

She likes to eat brussel sprouts and kale. She likes to go for jogs. She goes almost every day. She reads me good books and she makes the best aloo paratahs in the world. Sheila is probably the best Mom on earth.
