A day at camp

Today we went to karate summer camp. We had a field trip to Stern Grove. Mommy packed us a chocolate soymilk, some ritz crackers, a bagel and a bag of 'cocalana'.^{*} Then we played in the play structure for a little bit. After that we went back to the

camp and we played dodge ball. Then we went upstairs and I made two pairs of earrings for Mommy. Then Ciara's Mom picked us up. She came to our house for a little bit. I gave her my Hello Kitty. We had fun.
