# A fun day

Today Bill uncle is coming over to our house.

We will have rava idlis at our house.

The best thing of all is that we will have masala dosa. Sophie and Jonah may come over too. We will play with Sophie and Jonah if they come over. I will

eat a 100 dosas and a 100 rava idlis.

Anya likes rava idlis better than masala dosas but I like masala dosas better than rava idlis. We may eat some other things too. We will play with our toys. We will have a lot of fun.
