What we did

Today we went to little gym and we made beaches out of candy. Then we played with water balloons. There were different colors. We had a water balloon fight. We had to put on our shoes. Then we bought some ballet shoes for our ballet class.

We tried them on. They fit. We both got a pink pair. My pair is a little bit bigger. Mommy got us new ballet clothes too. I can't wait to put them on. The Mommy drove us home and I did my homework. We had a lot of fun.
