Dear Dada

Dear Dada, I hope
this letter finds
you in good health.
You write us many
good letters.

Mom, Dad, Anya, and I
love reading ^{your} letters.

We have a big box
full of your letters.

Since you send us
a lot of letters, I
decided to send you

one. Daddy is going
to make up a
website with our essays
in it. You and Dadi
can log in. Ask
Dadi to write us
letters too. You can
send one letter from
Dadi and one letter from
you. To Dada. Yours
truly and lovingly
Lyla.
