Twist

Once upon a time, the troll was walking on the bridge asking, "where are those billy goats?" He heard some one tramping on his bridge. He asked, "WHO'S THAT TRAMPING ON MY BRIDGE?" There was no answer. Then he saw a sweet little

girl named Snow White running away from an evil giant. He ran to save Snow White but instead he tripped on a giant beanstalk. Then Grumpy came to the rescue. He chopped down the beanstalk and grabbed Snow White's hand.
