Today

Today we went to Golden Gate Park and we walked around.

Then we went to a restaurant and we got mixed vegetables with lotus bulbs and fungi, spare ribs, and soup. We also got tofu with soy-sauce and green onions. We ate it and it was good.

After that we walked home and we played with Toby the dog in the garden. We did some homework down there. We went upstairs and started <sup>getting</sup> ready for the barbecue that Yury organized. I am looking forward to it. We will have a lot of fun.
