Today

Today we are going to go biking. I have a red bike. We are also going on a picnic. Mommy, Daddy, Anya, and I are going. Mommy has a yellow bike. We will also go with Tara Mami to watch the fireworks. I like to see the pretty colors. Last

year it was so cloudy that all we saw was smoke and all we heard was booming sounds. This year it will be much better. We might even see some shooting ^{stars}. We will be going with Tara Mami. I am looking forward to it.
