Venky mama

Venky mama is my uncle.

He is my mom's brother.

He has two stuffed animals for us at his house.

One is Totoro and the other one is peachy head.

They are both really big. We keep

calling Venky mama

Totoro. He also has

a lot of comics like

Tin tin. I like to

read them. He once have us a ride on his back and pretended

he was Totoro. He

has the same favorite

food as I do -

also paratan. He has

a real big book

shelf and some

white clay that we

can play with. I

love him.
