Tata

Tata is my Grandfather and he loves ladoos. He lives in Great Eastern Royal. He has a big cupboard full of toys. He has a dog named Poochie. He always has ladoos. He lives next door to a girl named Tweesha. Tata tells us good stories like 'The

two cats and the cake. He likes to watch cricket. Once he bought us squirt guns. He has a really big podium where we like to do hoola hooping. He likes to play 'Snakes and ladders' and 'Jungle Judo'. We love him a lot.
