Tara mami

Tara mami is my Aunt.

I call her Tara mami because mami is Aunt

in Indian. She has

a really big bookshelf.

She bought us a lot of kiddy books to

put in the bookshelf.

I like reading little

pea. It is in Tara

mami's bookshelf. She

has a big box full

of art stuff under her bed and it is all in a big green

box. She bought me a stuffed kangaroo.

She even made me a stuffed animal.

It was called an amoeba. It is blue

in color. I am always

excited to meet her.

I love her.
